

Flowshua PROJECTS LLC

PMP-certified Leadership

Aviation Program Support | PMO Coordination | Project Controls

CAPABILITY STATEMENT

Plan • Align • Execute • Deliver •

Flowshua Projects helps aviation and defense organizations improve readiness and execution through program analysis, PMO support, project controls, maintenance-planning support, technical documentation, schedule tracking, risk management, and operational coordination.

Grounded in six years of U.S. Navy aviation maintenance, quality assurance, readiness coordination, and NALCOMIS experience, Flowshua translates technical and operational information into clear reporting, structured execution, and actionable decision support.

COMPANY SNAPSHOT

- Veteran-Owned Small Business
- SDVOSB Certification - VetCert Application Pending
- UEI: LSCXFE2PCSJ4
- SAM.gov Registration Awaiting Final CAGE Code Assignment
- CAGE Assignment Pending
- Location Virginia Beach, VA
- Hampton Roads-Based Remote & Hybrid Program Support
- PMP-Certified Leadership

CORE CAPABILITIES

- Program Analysis & PMO Support
- Project Controls & Scheduling
- Operational Readiness Support
- Technical Documentation
- Quality & Compliance Tracking
- Dashboards & Executive Reporting
- Stakeholder Coordination

- Resource & Qualification Coordination
- Process Improvement

AVIATION EXPERTISE

Aviation Maintenance & Operational Support

Supports aviation readiness and sustainment through planning, dependencies, qualification coverage, documentation accuracy, and operational decision support.

Quality Assurance Leadership

Ensures quality and compliance through independent inspections, technical reviews, documentation integrity, and standard adherence.

Readiness Analysis & Operational Problem Solving

Assesses maintenance status, dependencies, and constraints to support informed, mission-focused decision-making.

SELECTED AVIATION QUALIFICATIONS

- ✓ Collateral Duty Quality Assurance Representative (CDQAR)
- ✓ Collateral Duty Inspector (CDI)
- ✓ Aircraft Confined Space Program Entry Authority (ACSP EA)
- ✓ E-2/C-2 Aircraft Engine/Auxiliary Power Unit Turn-Up License
- ✓ APU and Low Power Levels
- ✓ T56-A & NP2000 Experience

Founder qualifications earned during prior U.S. Navy service.

AVIATION & DEFENSE SOLUTIONS

AVIATION OPERATIONS

Readiness coordination, maintenance planning support, quality discipline, and technical workflow visibility.

CDQAR – COLLATERAL DUTY QUALITY ASSURANCE REPRESENTATIVE

Performed independent in-shop quality assurance inspections within designated areas of qualification to verify technical compliance, workmanship, documentation accuracy, and aviation maintenance standards.

PROJECT CONTROLS

Schedules, milestones, actions, risks, issues, dependencies, and status reporting that keep work visible.

CDI – COLLATERAL DUTY INSPECTOR

Authorized to inspect maintenance actions for technical accuracy, workmanship, procedural compliance, documentation integrity, and adherence to approved maintenance requirements.

PROGRAM ANALYSIS & PMO SUPPORT

Organizes schedules, risks, dependencies, action items, readiness information, and technical inputs into clear reporting and decision support for program teams.

NALCOMIS OMA & MAINTENANCE DOCUMENTATION

Experienced in NALCOMIS OMA work-center management, maintenance tracking, technical documentation, data accuracy, status visibility, and reporting to support readiness analysis and decision-making.

SUBCONTRACT SUPPORT

Flexible support for defined work packages or embedded roles within established prime-contractor and program teams.

READINESS ANALYSIS & OPERATIONAL PROBLEM SOLVING

Assesses maintenance status, dependencies, qualification coverage, documentation, and operational constraints to identify root causes and support practical, mission-focused decisions.

MARKETS SERVED

FEDERAL AGENCIES

Mission-delivery and operational-support capabilities

DEPARTMENT OF DEFENSE

Program and operational support across the enterprise

PRIME CONTRACTORS

Flexible teaming support for task orders and prime engagements

STATE & LOCAL GOVERNMENT

Government and project support aligned to agency needs

COMMERCIAL ORGANIZATIONS

Project, process, and reporting support

OUR SIGNATURE WORK PACKAGES

SETUP & PLANNING

- Milestone schedules
- Risk & issue log
- Resource plan
- Establish project control structure and tools
- Document organization

ONGOING COORDINATION

- Maintain coordination and execution
- Agenda & meeting support
- Milestones & action tracking
- Risk & issue management
- Stakeholder updates
- File & document management

REPORTING & INSIGHT

- Deliver clear information for decision-makers
- Weekly status reports
- Milestone & deadline updates
- Action item summaries
- Decision & escalation summaries

DELIVERY & SUPPORT

- Provide focused, mission-driven support
- Collaboration tools
- Documentation support
- Training & onboarding
- Transition support

OPERATIONAL IMPACT

Flowshua Projects improves execution, strengthens analytics, reduces risk and downtime, and supports consistent maintenance standards through disciplined processes, technical expertise, and accountable project execution.

CORE STRENGTHS

- PMP - Project Management Professional
- U.S. Navy Aviation Maintenance & Readiness
- Experience
- Six Years of Aviation Operations and Quality Experience
- Aviation-Informed Program and Project Support

FOUNDER EXPERIENCE HIGHLIGHTS

Founder experience; not company past performance.

- ✓ 4,700+ maintenance actions coordinated
- ✓ Contributed to a 98% sortie completion rate
- ✓ Increased personnel readiness by 25%
- ✓ Ranked #2 of 45 Second Class Petty Officers
